.....  
Hi Susan,

We would be happy to brief the states on the draft cadmium criteria. Mike Elias is the lead in my branch on cadmium, and he can deliver the briefing to your Committee. He is cc'ed here.

Thank you for the invitation.

Hi Kathryn,

We think that states would benefit from a briefing on the draft Cadmium criteria during the comment period. We have an ACWA Monitoring, Standards and Assessment Committee Call scheduled for Jan. 20, 2:30 – 4 p.m. Would you be available during that time to join the call and brief states? Please respond whenever you have a chance to check your schedule.

Best,

Susan
